Patient-centered approach to care for all ages

Team-based medical management of chronic conditions, providing access to the specialists you need

Prescriptions available on site at our Rochester and Troy locations

Online access to medical records, prescription refill requests and direct communication with your provider

Most insurances accepted

Comprehensive Services Offered

- Diagnosis and treatment for acute and chronic conditions
- Preventive care, risk assessments and physical examinations
- Women's health care, including general wellness checks, family planning and maternity
- Behavioral health, depression and stress management counseling and treatment

*focusing on our
patients for
complete care*

Learn more about Wayne State University Physician Group

AFFILIATED WITH THE WAYNE STATE UNIVERSITY SCHOOL OF MEDICINE

Maybe you're familiar with Wayne State University, or perhaps you've simply heard the name and the reputation that goes along with it: world-class education, groundbreaking research, excellent professors teaching the next generation. What you may not know is how that same reputation has benefited patients, families and communities alike through an advanced standard of care provided by the doctors of Wayne State University Physician Group.

WSUPG was built upon a strong foundation of exceptional patient care backed by groundbreaking research and world-class education. Many of our doctors are faculty members at the Wayne State University School of Medicine, using the newest technology and latest in medical advancements to diagnose and treat patients in the metropolitan Detroit community and beyond.
